[Avshalom.caspi@iop.kcl.ac.uk](mailto:Avshalom.caspi@iop.kcl.ac.uk)

My research spans the fields of psychology, epidemiology, and genetics. My current work is concerned with three broad questions: (1) How do genetic differences between people shape the way they respond to their environments? (2) How do childhood experiences shape the course of health inequalities across the life span? (3) What are the best ways to assess and measure personality differences between people?

Date of Birth: May 5, 1960 Jerusalem, Israel

Education: Ph.D. Cornell University, 1986

M.A. Cornell University, 1983

B.A. University of California at Santa Cruz, 1981

Current Positions: Edward M. Arnett Professor of Psychology & Neuroscience  
 Department of Psychology and Neuroscience  
 Department of Psychiatry and Behavioral Sciences  
 Institute for Genome Sciences and Policy  
 Duke University, Durham, NC, USA

Professor of Personality Development  
 MRC Social, Genetic and Developmental Psychiatry Research Centre  
 Institute of Psychiatry, King's College London, England

Research Interests: Behavioural genetics  
 Life-span developmental psychology  
 Children's mental health  
 Personality assessment  
 Health psychology  
 Longitudinal methodology

Personal Interests: Traveling; cooking; photography; playing basketball; hiking

Bibliometrics: Times cited=12,591, Average citations per item=68, H-index =62  
 January 2009, ISI Web of Science

### ***POSITIONS HELD***

1995-2007 Professor, Department of Psychology, University of Wisconsin, Madison  
 1995-2007 Faculty member, NSF National Consortium on Violence Research, Carnegie-Mellon University  
 1995-2007 Faculty member, Institute for Research on Poverty, University of Wisconsin, Madison

1991-1995 Associate Professor of Psychology, University of Wisconsin, Madison  
 1991 Visiting Scholar, Institute of Personality Assessment and Research, UC Berkeley  
 1989-1991 Assistant Professor of Psychology, University of Wisconsin, Madison  
 1986-1989 Assistant Professor of Psychology, Harvard University  
 1986 Research Associate, Carolina Population Center, University of North Carolina, Chapel Hill  
 1985 Research Associate, Berlin Longitudinal Study on Youth Development, Technical University of Berlin, West Germany

### **HONORS AND AWARDS**

2008 Rema Lapouse Award for Significant Contributions to the Scientific Understanding of Epidemiology and Control of Mental Disorders, American Public Health Association (with T.E. Moffitt)  
 2008 Distinguished Scientific Contribution Award, International Society for the Study of Behavioral Development (ISSBD) (with T.E. Moffitt)  
 2007 Mortimer D. Sackler MD Prize for Distinguished Achievement in Developmental Psychobiology, by the faculties of the Sackler Institutes of Developmental Psychobiology at Columbia University Medical Center and at Weill Cornell Medical College of Cornell University  
 2007 Elected Fellow of the Association for Psychological Science  
 2006 ISI Highly Cited Research (field: Psychology/Psychiatry). ISI identifies the "top 250 preeminent individual researchers in each of 21 subject categories who have demonstrated great influence on their field as measured by citations" (<http://hcr3.isiknowledge.com/home.cgi>).  
 2006 Elected Fellow of the British Academy  
 2006 Royal Society - Wolfson Research Merit Award  
 2005 Elected Fellow of the American Psychopathological Association  
 2003 Maccoby Book Award in Developmental Psychology, American Psychological Association (book award received for *Sex Differences in Antisocial Behaviour*)  
 2002 Elected Fellow of the Academy of Medical Sciences (UK)  
 2002 John P. Hill Memorial Award, Society for Research in Adolescence (with T.E. Moffitt)  
 1998 Selected as Fellow, Center for Advanced Study in the Behavioral Sciences, Palo Alto  
 1995 Distinguished Scientific Award for Early Career Contribution to Psychology (Developmental Psychology), American Psychological Association  
 1995 Robert L. Fantz Award, American Psychological Foundation  
 1995-1996 University of Wisconsin Vilas Foundation Associate  
 1994 Margaret Bernauer Research Award, Wisconsin Psychological Association  
 1993-1998 University of Wisconsin H.I. Romnes Faculty Fellow  
 1990-1992 National Academy of Education Spencer Fellowship  
 1984 Cornell University, College of Human Ecology, Graduate Fellowship  
 1983 Foundation for Child Development, Pre-Doctoral Fellowship  
 1981 Highest Honors in Major, UC-Santa Cruz

***RESEARCH GRANTS (extramural)***

Agency: NIMH  
 Role: Co-investigator (with G. H. Elder, Jr., PI)  
 Title: Family Hardship and Problem Behavior in Lives  
 Dates: 1987-1990, \$233,659

Agency: Spencer Foundation  
Role: PI  
Title: Longitudinal Study of Environmental Change and Individual Development  
Dates: 1990-1992, \$30,000.

Agency: National Institute on Aging (NIA)  
Role: Co-investigator (with R. Hauser, P.I., W. H. Sewell, J. A. Logan, T. S. Hauser, C. D. Ryff and M. MacDonald)  
Title: The Wisconsin Longitudinal Study: Parents and Children at Age 50  
Dates: 1991-1994, \$2,175,815.

Agency: NIMH  
Role: PI  
Title: Mental Health in the Transition to Adulthood  
Dates: 1992-1997, \$349,993 (*with Research Supplement for Under-represented Minority Graduate Training, 1995-1997, \$41,047.*)

Agency: William T. Grant Foundation  
Role: PI  
Title: Personality Development and Mental Health in the Transition from Adolescence to Young Adulthood  
Dates: 1993-1995, \$126,008.

Agency: National Institute of Justice  
Role: Co-PI (with T. E. Moffitt, PI)  
Title: Developmental Antecedents of Partner Violence: A Longitudinal Study from Childhood to Adulthood  
Dates: 1995-1996, \$175,350.

Agency: NSF - National Consortium on Violence Research Postdoctoral Training Award  
Role: Co-mentor with T. E. Moffitt  
Dates: 1996-2001, \$120,000

Agency: NIMH  
Role: Co-PI (with T. E. Moffitt, PI)  
Title: Antisocial Behavior from Childhood to Adulthood  
Dates: 1997-2002, \$916,595.

Agency: NIMH  
Role: Co-PI (with T. E. Moffitt, PI)  
Title: Longitudinal Studies of Partner Violence  
Dates: 1997 - 2001, \$473,891.

Agency: NIMH  
Role: PI  
Title: Mental Health in the Transition to Adulthood  
Dates: 1997 - 2002, \$795,879.
